COMMUNITY TOOLKIT

This toolkit will give the community more information and help them be prepared to protect their rights.

WHAT HAPPENED?

On November 8, 2016 Donald Trump was elected president of the United States. He took office on January 20, 2017.

WHAT DO WE KNOW?

Donald Trump based his campaign on anti-immigrant ideas and hate. We know that the community is worried. We do not know exactly what Donald Trump will do, but we want you to know we are here with you to fight and protect our rights. We are in this together.

WHAT TO DO NOW?

Inside the toolkit you will find more information:

- Talk to an immigration lawyer about your case
- Make a plan for how these changes may affect your family
- Learn about your rights
- Report hate crimes
- Learn what your city is doing to protect our communities
- Be aware of fraud!

For more information go to www.nyic.org
On September 5, 2017, President’s Trump Administration announced the end of the Deferred Action for Childhood Arrivals (DACA) program.

What does this mean?

The Department of Homeland Security (DHS) will NO LONGER accept new (initial) applications. You can renew, but have a trusted attorney review your case.

Your DACA work permit is only valid until the expiration date. If you obtained a driver’s license through DACA your license does not expire until its expiration date.

If you have DACA, you can no longer apply for advanced parole. You should contact a trusted lawyer with any questions about your case.

Get involved! Urge your Senators and Representative to cosponsor a clean Dream Act.

Go to www.nyic.org/DACA to find out more information, resources, and a Legal Clinic near you. Consult with a trusted attorney. You may be eligible for other immigration solutions!
YOUR CHILD HAS A RIGHT TO GO TO SCHOOL

Your school cannot ask about your child’s or family’s immigration status.

It's against the law for a school to discriminate against you or your child because of your immigration status, country of birth, religion, ethnicity, or race.

If your child needs help learning English, they have a right to a special program to get this help.

You have the right to an interpreter or translator to be part of your child's education.

IF IMMIGRATION IS AT YOUR DOOR...

DO NOT LET THEM ENTER WITHOUT A WARRANT

Immigration officials—just like the police—cannot enter your home without a warrant signed by a judge.

- **Never** open the door
- **Ask** for the warrant to be slid under the door or put against the window
- **Confirm** that any warrant has your name
- Even if Immigration has a warrant, if it is for someone you don’t know or who used to live at your home, they cannot use it to enter

**if they do not have a warrant**

If Immigration doesn’t have a warrant, or the warrant is for someone else who you don’t know or who doesn’t live there, **tell them you cannot let them in without a warrant, or that that person does not live there, and politely ask them to leave.**

If they are looking for someone you know, you don’t have to tell them where that person is—ask for their contact information and tell them to leave.

**if they do have a warrant**

If Immigration does have a warrant with your name, **you still have rights!**

You shouldn’t tell them anything, say:

“I PLEAD THE FIFTH AMENDMENT AND HAVE THE RIGHT TO REMAIN SILENT.”

- **Keep saying it** if they ignore you.
- **Do not sign** any documents they have. You always want a lawyer to tell you if it is okay to sign any document.
- **Do not give** Immigration any identity documents from your home country like your passport.

**if they arrest you or others**

If Immigration does have a warrant and arrests you or others in your home, **do not sign anything and do not admit anything.**

- **Keep the number** of an attorney that you can call.
- Make sure you **have important numbers and documents safely hidden** at home where your family or friends can find them to help you.

**document your interaction**

You should have someone else in the house start video-taping the interaction, or use video/sound recording on your phone. After Immigration leaves, you or they should write down everything you can remember: what the Immigration officials were wearing, what car they were driving, exactly what happened.

**report your interaction**

Immediately report that Immigration came to your door.

If you live in New York City, call the Immigrant Defense Project: 212-725-6422

If you live outside of New York City, call United We Dream: 1-844-363-1423

Being stopped by Immigration can be very frightening, but do not run away or flee, do not give them false documents, and never lie!
Immigrant Defense Project has been monitoring Immigration and Customs Enforcement (ICE) arrests in the community.

KNOW YOUR RIGHTS with ICE

Am I at risk of being arrested by ICE?
ICE targets certain immigrants for deportation. Common targets include:

**Legal Permanent Residents (LPRs) with prior convictions**
- **Be aware:** You may be a target even if:  
  - Your conviction is from years ago;  
  - You didn’t serve time in jail;  
  - Your case was minor or a misdemeanor;  
  - You’ve been an LPR for a long time; and/or  
  - All the other members of your family are US citizens.

**Undocumented people with violations or convictions:**
- **Be aware:** You may be a key target if you:  
  - are undocumented and have a conviction (for example: DUI “driving under the influence,” drugs, domestic violence, unlawful gun possession, or child endangerment; or  
  - You entered the U.S. on or after January 2, 2014 and/or you have been ordered deported since January 1, 2014

Are ICE agents approaching anyone they think they can deport?
ICE agents usually identify the person they want to arrest ahead of time. Then, they go to homes, courthouses, shelters and even workplaces to look for that person. Sometimes they wait on the street to make the arrest.

If I know I’m at risk, what can I do?
- **Make a plan** with your loved ones in case you are picked up by ICE!  
- **Avoid contact with Immigration** – don’t apply to change your immigration status or to renew your greencard and don’t travel outside of the United States without talking to a lawyer first!  
- **Avoid contact with the Criminal Justice System** (the police share your fingerprints with Immigration)!

IF YOU OR A LOVED ONE IS DEPORTABLE, HAVE A PLAN!
Knowing which rights you have and exercising them is complicated. For more information on ICE community arrests, please see IDP’s longer booklet at immigrantdefenseproject.org/community-trainings or contact KYR@immdefense.org

If you want to report a raid within NYC, call IDP at 212-725-6422

What should I do if ICE agents approach me on the street or in public?

When ICE agents arrest someone in public, it typically happens quickly. They may call your name out loud and ask you to confirm your name and then detain you.

- Before you say your name or anything else, ask, “AM I FREE TO GO?”
  - If they say YES: Say, “I don’t want to answer your questions” or “I’d rather not speak with you right now.” Walk away.
  - If they say NO: Use your right to remain silent! Say, “I want to use my right not to answer questions” and then “I want to speak to a lawyer.”

- If ICE starts to search inside your pockets or belongings, say, “I do not consent to a search.”
- DON’T LIE or show false documents. Don’t flee or resist arrest.
  - Don’t answer questions about your immigration status or where you were born. They will use any information you provide against you. Do not hand over any foreign documents such as a passport, consular IDs, or expired visas.

- If you are in Criminal Court for a court date, ask to speak to your defender before they take you away.

If officers come to my home, will I know they are from ICE?

Not always! Beware: ICE agents often pretend to be police and say they want to talk to you about identity theft or an ongoing investigation.

Can ICE agents enter my home to arrest me?

If ICE agents do not have a warrant signed by a judge, they cannot enter the home without permission from an adult. Opening the door when they knock does not give them permission to enter your home.

So, what do I do if officers are at my door?

- Find out if they are from DHS or ICE.
- Try to stay calm. Be polite. Don’t lie. Say “I don’t want to talk to you right now.”
- Politely ask to see a warrant signed by a judge and to slip it under the door. If they don’t have one, decline to let them in.
- If they are looking for someone else, ask them to leave contact information. You don’t have to tell them where to find the person and you should not lie.

What can I do if ICE is inside my home to make an arrest?

- Tell them if there are children or other vulnerable residents at home.
- Ask them to step outside unless they have a warrant signed by a judge.
- If they came inside without your permission, tell them “I do not consent to you being in my home. Please leave.”
- If they start to search rooms or items in your home, tell them “I do not consent to your search.”
- If ICE is arresting you, tell them if you have medical issues or need to arrange for childcare.

What are my rights if I am being arrested by ICE?

- You have the right to remain silent. You have the right to speak to a lawyer.
- DO NOT LIE. It can only hurt you in the future.
- You do NOT have to share any information about where you were born, what your immigration status is, or your criminal record. Ask to speak to a lawyer instead of answering questions.
- You do NOT have to give them your consular documents or passport unless they have a warrant from a judge.
- You do not have to sign anything.

The guy on TV said we can get a green card after ten years so I just made an appointment.

GREAT!

All I need is $$ $$ in cash and your taxes and you are on your way to becoming a green card holder!

Look, we got our work permits! Just a matter of time before we have our green cards.

We haven’t heard from the lawyer in months, and now this has come in the mail.

It says we are in deportation proceedings!

Why do I have a deportation case? The lawyer said this was a simple 10 year visa?

I’m sorry, but there’s no such thing as a TEN year visa. Now you might get deported!

What have we done? $$ $$ gone; no green card; and now... we are being deported!

DON’t trust anyone WHO says they can get you A TEN year visa
