

Local Listing Booster

\$150 per year

Solves the problem:

"I need to improve my local search presence."

Location-based data is becoming an increasingly important part of controlling your listings and citations in search portals, search engine algorithms, Internet Yellow Pages (IYP), and Hyper Local and Vertical directories. To get the maximum SEO impact, your listings need to be accurate and consistent across all business directories.

Advanced Features Included In This Program

- ✓ Accurate and up-to-date listings in 100+ directories
- ✓ Monthly directory updates to keep your data fresh

What's Already Included With Your Pronto Website
