

Important Notice

FDR Drive **E.80th Street to E.90th Streets** **(Northbound)**

Manhattan

Community Board No. 8

February 2012

On Thursday, February 9th the New York City Department of Transportation Division of Bridges will perform ventilation system preventive maintenance in the FDR Drive tunnel between E.80th and E.90th Streets. Work will begin at 11:00 p.m. and continue until 5:00 a.m. the next morning. To accommodate this work, traffic lane closures are necessary. Please note that one lane adjacent to the work lane must also be closed for worker protection. As this operation is weather sensitive, the rain date is Friday, February 10th.

Overnight Northbound-only Lane Closures

Thursday, February 9th

Left Lane: 11:00 p.m. to 1:00 a.m. (the next day)

Left and Center Lanes: 1:00 a.m. to 5 a.m.

One lane of traffic will remain open at all times

All Lanes Reopen at 5 a.m.

Alea Gillead of the Office of Community Affairs is available at **212-839-6306** or AGillead@dot.nyc.gov for additional information about this project. For all NYC non-emergency services, including inquires regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.

your city. your needs. your number.
