Re: MTA Contract C-26005 (Contract 2A)  
Second Avenue Subway / 96<sup>th</sup> Street Station Project  
**Full Roadway Closure on East 94<sup>th</sup> Street, Second Avenue to Third Avenue**

Please note that EE Cruz/Tully is in Contract with the MTA for the referenced project. We are currently in the process of performing major underground utility work along the west side of Second Avenue between East 94<sup>th</sup> Street and East 95<sup>th</sup> Street. In order to complete the work safely, we have requested that the NYCDOT issue a full roadway closure on East 94<sup>th</sup> Street between 2<sup>nd</sup> Avenue & 3<sup>rd</sup> Avenue.

We will position flaggers at 3<sup>rd</sup> Avenue to allow traffic to enter for residents and the local businesses as necessary during the closure periods.

The roadway closure would begin at 7:00AM and end at 10:00PM, Mondays through Fridays, February 6, 2012 through March 31, 2012. The roadway will be reopened at the end of each daily work shift.

Very Truly Yours,

John F. McCarthy
