

Assembly Member Kellner is happy to join with Food & Water Watch in sponsoring a free screening of **Gasland** for the community. **Gasland** is an Oscar nominated documentary which explores the risks of hydrofracking. The screening will be on **Tuesday, February 21<sup>st</sup> at 7 PM at Lenox Hill Hospital's Einhorn Auditorium located at 100 East 77th Street.**

The film's run time is approximately 106 minutes. For **wheelchair access** to the Auditorium please enter through the Black Hall entrance located at **133 East 77th Street** and **take elevator '24' to floor 'LA.'** Take a right out of the elevators. Through the doors at the end of the hallway is Einhorn Auditorium's stage with a wheelchair lift. To reserve your spot for this event please register online with Food & Water Watch at <http://action.foodandwaterwatch.org/p/salsa/event/common/public/?key=73162> or call Assembly Member Kellner's office at [212-860-4906](tel:212-860-4906).
