### Upcoming Weekend Street Closures for Ancillary 1 Construction

**Friday, February 15, 2013**

In support of the Second Avenue Subway (SAS) project, MTA contractors will be closing 63rd Street between Park Avenue and Lexington Avenue on the following weekends.

**6am Sat., February 23rd - 10pm Sun.,  
February 24th;  
6am Sat., March 9th - 10pm Sun., March  
10th**

NOTE: The following weekend will be used as the contingency weekend if weather conditions preclude work, i.e. 3/2 - 3/3; 3/16 - 3/17.

This closure is needed to allow for a very large crane that will hoist oversized equipment and materials to the garage roof located at 124 E63rd Street. Vehicular thru-traffic will not be allowed but pedestrian access to building entrances will be maintained. Flaggers and other personnel will be present to coordinate access and maintain a safe environment.

Please note that the scope and nature of construction activities are subject to change based upon field conditions. All work has been approved by appropriate City agencies where required. We are committed to completing this work quickly and safely with the least amount of disruption to neighborhood residents, and we appreciate your continued patience during this construction.

If you have any questions, please contact **Lisa Blugh-Willis**, Community Liaison for the 63rd St/Lexington Ave Station Area, via email at [Lisa.Blugh-Willis@2avesubway.com](mailto:Lisa.Blugh-Willis@2avesubway.com) or after hours at **(212) 792 9716**.
