

Subject: Help Us Improve - Participate in a 7-Question Survey on CAC Meetings

In response to feedback received at the Second Avenue Subway Public Workshop in November, the MTA Capital Construction team and the contractors have been holding monthly Construction Advisory Committee (CAC) meetings with the community.

Your feedback is important to us. Please take a moment to complete a brief 7-question survey on the newly created CAC meetings.

Your inputs will help us improve and shape future CAC meetings.

Thank you.
